Public contract:

Open procedure in above-threshold regime for supply with title „**Supply of instrument for automated long-term field measurement of ice-nucleating particles**“ started on 10 July 2024 by publication of notice of initiation of the procurement procedure.

Subject matter of the explanation and change of tender documentation:

The Contracting Authority has received on 5 August 2024 bellow stated question, which is base for this explanation in accordance with Section 98 paragraph 3 of the Public Procurement Act.

Question:

„Dear Sirs and Dame, we are preparing the documents for our offer. We are just filling the Annex No 2 "Affidavit" and have a question concerning this Annex. Besides filling the Annex No 2, are there other documents required as proove??“

Answer:

As stated in section 5.4. of the call the supplier can in its tender replace documents proving the qualification by affidavit. Before contract signature the Contracting Authority will request from the chosen supplier submission of original or certified copies of qualification documents if they haven't been already submitted in procurement procedure and

documents to prove correctness of its statements in affidavit. The supplier can for example include confirmation of competent social security office in its tender already or submit only affidavit a be prepared to submit confirmation of competent social security office before signature of the contract in case that its tender will be chosen.
